CANCELLATION OF SPIRIT OF THE BUSH 2020

Reluctantly, the Management and Operating Committee of Boondooma Museum & Heritage Association Inc has decided to cancel the upcoming Spirit of the Bush 2020. This event was to be held at Boondooma Homestead 21 – 26 April 2020.

The decision was based on factors relating to the spread of the coronavirus. The factors considered were:

- The recommendation issued by the Australian Government about gatherings exceeding 500 people.
- The well being of our artists, volunteers and the demographic of most of our patrons.

We apologise for any inconvenience to you.

We will keep you informed about future festival activity at Boondooma Homestead.
