

Press Release

February 2018 Boondooma Dam Fishing Competition

Boondooma Dam Yellowbelly Fishing Competition spokesman Terry Allwood says that with the lake fishing extremely well the 2018 event should set new records in both the long standing gilled and gutted section, as well as in the catch and release component. Cash and other prizes will be presented at the end of each of the three sessions as well as overall competition winners at the conclusion of the event.

Profits from the event are used to supplement fishing permit funds from the Queensland Government and to date approximately 5 million fingerlings have been stocked into Lake Boondooma.

The catch and release category targeting Australian Bass and Yellowbelly is open to all anglers who nominate. This category has been made possible by the generous sponsorship of Stanwell and Swickers bacon factory.

The annual competition will be held on 10 and 11 February 2018. Entry costs for the February event will be \$20 for adults and \$5 for juniors aged 16 years and under.

The ongoing support of our many generous sponsors will ensure that a wide range of prizes and lucky draws are available for all competitors including a Boat, Motor, Trailer package. Lucky draws are held at the end of each fishing session and at the Friday night briefing. All presentations and lucky draws are conducted at the event headquarters at the stocking association clubhouse.

Food and drinks stalls will be provided by local community groups over the weekend and the great camping facilities provided by the South Burnett Regional Council will be available for campers staying at the lake.

The cost of camping fees and details of accommodation options at the lake can be found at website www.southburnett.qld.gov.au or by ringing the Lake Boondooma Kiosk on (07) 4168 9694.

Additional information on the local area and past fishing competitions can be found on the Proston Online website, www.prostononline.info

Please join us at Lake Boondooma for a family weekend of fishing and camping. For additional information please contact Terry Allwood on mobile 0400 860122.
