

ABOUT – the Rural Ambassador and Miss Showgirl Competitions

The **Rural Ambassador** competition takes on a youth educational role in agriculture and encourages ways to implement this into the wider community. Generally the Rural Ambassador candidate is familiar with the Show, local community and has some Show involvement. This is not a prerequisite as many members are willing to teach our competitors about Proston's proud Show past.

The **Miss Showgirl** competition is not always about the glitz and glamour of getting all dressed up! The Miss Showgirl candidate is a role model for fellow young ladies, and a valued representative of the Show Society and local community. It is about having a passion for local 'at home' causes that are close to their heart and about being given the opportunity to implicate that to a wider community.
